Folding and Sliding Aluminium Bi-fold Doors

Aluminium folding and sliding bi-fold doors offer bespoke design solutions for almost every property.

Enjoy unrestricted views of your garden, terrace, patio or pool by installing folding and sliding doors. Why not open up a whole wall of your special room, or even a balcony?

Bi-fold doors can be stacked open at one end, or at both ends. Alternatively, one panel can be opened like a conventional, single-traffic door. It is even possible to have a double door combination.

Superb range of features

- ◆ Aluminium construction requires very low maintenance
- ◆ No painting, no warping, no shrinking
- ◆ Security locking system
- ◆ Option of inward or outward opening doors
- ◆ Weather rating and thermally efficient
- ◆ Low threshold option for easy access
- ◆ Colour and Woodgrain features available on request
