Ultimate Patio Door®

Our Ultimate Patio Door combines innovative technology and unparalleled workmanship to make the most attack-resistant in-line patio door set available. All doors are PAS 24 approved. They are the only BBA accredited patio doors in the UK.

Main Features

- ◆ Frame section fully reinforced with galvanized steel
- ◆ 3 steel interlockers, each capable of withstanding a force of up to 4 tons
- ◆ 6 point pincer locking
- ◆ Plunge bolts for added security
- ◆ Laminated glass to the exterior and toughened safety glass to the interior
- ◆ Option of low threshold or aluminium ramp: easy access for wheelchair users, prams and buggies
- ◆ Available in Rosewood, Golden Oak, Rosewood on White and Golden Oak on White finishes

Security & Peace of Mind

All Ultimate Patio Doors are **Secured by Design**. This means that the design of the door has been approved to Official Police Standards and is of the highest security available on the market. These are the only patio doors in the UK that have been awarded **Secured by Design** status.
