Monkey Tail Furniture

Time-honoured and elegant, monkey tail furniture enhances the snug and traditional feel of almost any home.

Our superb range of hand-crafted monkey tail furniture is perfect for creating or maintaining a cottage-like feel. Fitted onto our 70mm Kömmerling profile, the desired effect can be achieved without compromising the security or warmth of your home. This furniture can be fitted onto White, Golden Oak or Rosewood profile.

.....

Main Features

- ◆ Made using solid steel
- ◆ Fashioned using traditional methods
- ◆ Anvil moulding lends itself to a more delicate shape that is unobtainable through modern methods, for example casting.
- ◆ Night-vent option for windows
